

FRAUHM Noon Meeting
Tuesday, May 14, 2019
Campus Center Room 203E

Dr. Lori Ideta
Interim Vice Chancellor
for Students

Dr. Christine Quemuel
Interim Assistant Vice Chancellor
for Diversity

"Overview of the Office of Student Affairs"

Drs. Ideta and Quemuel will bring us up to date about the services rendered by the Office of Student Affairs. That office touches on many aspects of student life (admission, finance, counseling, housing, health services, veterans affairs) and the discussion will include an account of the SEED program: Student Equity, Excellence and Diversity.

Both of our guests have earned respect and awards for their labors. Dr. Ideta, who received her MA and PhD in Higher Education Administration, with a focus on student affairs administration, from the UHM, was named a "Pillar of the Profession" for some two decades of work with the National Association of Student Personnel Administrators.

Dr. Quemuel has been honored by that same NASPA with a Mid-level Student Affairs Professional Award. She has devoted much time and energy to developing community relationships to provide service to her students, such as the Hawai'i Coalition Against Sexual Assault. She has spoken at many conferences here and across the nation.

*****Election of officers for 2019-2020 will begin the meeting *****
